Date-08/10/24 Time-04:00 PM

Venue-O/O of the Joint Director of Health Services

Nagaon, Assam

Participating Members-

1. Dr. Phani Pathak, Joint Director of Health Services, Nagaon, Assam
2. Dr. Kabita Barua, Addl. CM&HO(FW), Nagaon, Assam
3. Dr. Krishna Bora, Empanelled Gynaecologist, Nodal officer for FP and ToT
4. Mr. Anirban Borthakur, DPM, NHM, Nagaon, Assam
5. Mr. Kiranjit Dutta, DFPC, NHM, Nagaon, Assam

A meeting of District Indemnity Sub-Committee was held under the Chairmanship of the Jt. Director of Health Services, Nagaon, Assam. Kiranjit Dutta, DFPC explained the objective of the meeting and gave a presentation on action taken reports of previous meeting. In this meeting all the members emphasized to improve the performance of family planning activities especially on male sterilization and long term reversible contraceptive methods. Moreover, camp schedules for the upcoming months was also discussed. The DFPC was asked to prepare a plan accordingly for LS camp and male sterilization (NSV). Maintaining the decisions already taken in the previous meeting the house added the following decisions:

1. Out of the total 134 female sterilization conducted in this financial year, there is no report of failure or death as of October'24. However there was only a case of failure in the last financial year, 2023-24, the beneficiary being Mrs Mafida Khatun, aged 23 years old, had undergone LS at Kawaimari FRU by Dr. Amrit Krishna Bora. The process for compensation has already been completed.
2. It was proposed to conduct LS camp at Dhing FRU and Kampur FRU for the month of November. In the last camp which was held on August at kampur FRU which is under Kathiatoli BPHC, all the beneficiaries were from Barapujia BPHC. This time the beneficiaries from Kathiatoli BPHC will be mobilised for the LS camp. Also in the last camp at Dhing FRU which was also held in August, some beneficiaries could not reach the venue due to law and order situation. It is to be ensured that atleast 30-35 beneficiaries are mobilized for the upcoming camp at Dhing FRU.
3. It was proposed to issue a letter to the Dy Supt. Of Dhing FRU so that beneficiaries from Dagaon BPHC can be operated at Dhing FRU. The Operation theatre at Dagaon MH is not functional as of now so the beneficiaries cannot be operated at Dagaon MH, as instructed by Joint Director.
4. It was discussed that there is a requirement of a monitor for training purpose at NMCH since NMCH is the training centre for Middle Assam region. The same issue is to be raised in DHS review meeting.
5. The DFPC was instructed to plan male sterilization camp (NSV) at the earliest. As of now a line list of 10-12 beneficiaries has been prepared and some have beneficiaries don't have a bank account.

They are asked to open bank account at the earliest so that they avail DBT soon after the sterilization procedure. It is to be ensured that payment is not delayed.

6.The LS machine from Dhing FRU is to be rationalized at Kampur FRU so that Dr Sujoy Denath can carry out Laparoscopic sterilization and he can be empanelled at the earliest.

7.It was proposed to send a requirement for LS machine to NHM State HQ for Kawaimari FRU so that Dr Abdullah Zakaria who had undergone LS training can be empanelled.

8.The performance of PAIUCD acceptance rate is to be improved.

The meeting was chaired by Dr. Phani Pathak, Joint Director of Health Services, Nagaon Assam and other members attended the meeting and addressed the participants and delivered their views and suggestions for improving the DISC.

The meeting ended with vote of thanks from the chair.
