The committee is appraised that an action plan has been prepared and individual BPHCs have been assigned Expected Level of Achievement (ELA). The committee decided to send letter to the concerned institutions to put all possible efforts to make the fortnight a grand success as have been done earlier.
2. **Finalising LS Camp Schedule & Assigning Surgeons for the Camps:** The committee have been appraised that there are 13 Hs where LS camps are being conducted . Although there are two LS surgeons available in the district at present viz. So it is decided to schedule LS camp only for BPHC HQ. The committee requested lap surgeon to conduct maximum no of cases so that the ELA can be achieved.
