2. **Discussion on FP Trainings:** The committee have been appraised about the FP trainings like FPLMIS/CAC/PPIUCD/IUCD etc.
3. **Enlisting of Eligible Couples for various FP methods:** It has been observed that the grassroots level workers/institutions/BPHCs are not responding to the requests for enlisting ECs for various methods. It is decided that the BPHCs are to send the updated beneficiary list/due list prior to fortnight without fail. It is also decided that one written order from the Jt DHS be send to the institutions for enlisting of ECs.
4. **Misc:**
 - A) **FP Incentives:** It has been observed that some of the beneficiary incentives are pending and the committee requested the DPMU/BPMU to look into the matter so that no incentive remains pending.
 - B) **Discussion on Empanelment of Newly Trained LS Surgeon:** The committee decided that as Dr. Santanu Das has been trained on Lap Sterilization he may be initially allowed to perform in Civil Hospital on a fixed day every week. After conducting a considerable number of cases at DH he may attend camps along with other trained surgeons and thereafter he may perform independent lap Sterilization camps.
