From,

J.V.N. Subramanyam, IAS  
Mission Director,  
National Health Mission (NHM), Assam

To,

The Joint Director of Health Services cum Member Secretary, District Health Society  
Cachar, Dibrugarh, Golaghat, Jorhat, Lakhimpur, Morigaon, Nagaon, Sivasagar, Sonitpur,  
Tinsukia, and Udalguri

**Sub: Regarding programme implementation plan for tea garden hospitals under PPP for the year 2018-19.**

Sir /Madam,

With reference to the subject cited above, I am to inform you that the district wise physical & financial allocation along with Operational guideline to be implemented in the tea garden hospitals of Assam approved under PPP by the Government of India (FMR code-15.9.7) for the year 2018-19 has been prepared. You are, therefore, requested to sign the MoU with concern Tea Garden Authority after reviewing the performance of previous year and found to be satisfactory.

On signing of the agreement, the district authority may release the amount to the concerned Tea Garden hospital as approved in the RoP 2018-19 from the available fund with District Health Society account subject to the adjustment of previous year's balance and receiving the UC and SoE. Districts should strictly follow all the financial norms and guidelines for implementation of the aforesaid activity.

You are also requested not to make any changes in the allocation of the activity without approval of the undersigned. The owner of the activity has been indicated in the guideline. He /She will be the responsible for implementation of the activity.

You are therefore requested to circulate the programme implementation plan for Tea Garden hospitals under PPP for the year 2018-19.

The review of the PPPTG hospitals shall be made on a monthly basis and progress updated to DC cum Chairman, DHS regularly. The current performance along with Zero deliveries TG Hospital is sent along for taking necessary corrective steps. In case their performance does not improve funding for next Financial Year PIP may not be given.

Yours sincerely,

  
(J.V.N. Subramanyam, IAS)  
Mission Director  
National Health Mission, Assam

# Operational Guideline for utilization of fund by the Tea Garden Hospitals under PPP with NHM, Assam for the Year 2018-19

---

## Objectives:

- To provide health care services specially maternal and child health care to the tea garden population
- Emergency services
- To strengthen the existing primary health facility in the tea estate hospitals
- Standardization of the existing labour room along with baby care rooms
- Facilities of referral services
- Taken care of communicable and non-communicable diseases
- HR development-to appoint Doctors, Pharmacist, Lab Technician, GNM and ANM (if required)
- To maintain hospital and premises in a clean and hygienic manner

## Coverage

- a) Tea garden workers and their dependents
- b) People residing in tea estates.
- c) Retired workers of the tea garden
- d) Other identified residents of the estate.

## General:

- An MoU (agreement) is to be executed with stamp duty between the respective District Health Society and Tea Garden Hospital Management Authority which will establish the terms and conditions of both the parties work to achieve the objectives.
- Duration of the MoU to be fixed for 1 year only.
- Financial year should be followed for execution of MoU
- The agreement would be in force from the date of signing of MoU
- Services to be delivered as per NHM norms and guidelines mentioned in MoU.
- Hospital Management Committee is to be formed to look after the activity adhering the schematic guidelines and norms as cited by National Health Mission, Assam.
- Formation of District level Monitoring and Evaluation Committee for Tea Garden Areas

## Scope of work :

- There should be monthly health action plane that has to be submitted to the Jt. DHS of Health Services, respective district.
- Monthly progress reports on key deliverables along with financial achievements is to be send to the District Programme Management Unit through Block Programme Management Unit of NHM, Respective districts.

➤ **Focused should be on**

- Implementation of all National and State health programmes.
  - Quarterly orientation for Medical Officer and other Staff on programme guidelines to be done at District as well Block level. HMC should ensure the attendance of participants.
  - Copies of all guidelines and communication to be kept in file and make handy to all.
  - Handholding trainings for service providers on ANC, conducting safe delivery, handling warmers along with umbrella programmes etc.
  - Following MCTS system
  - Reorientation of ASHAs of tea garden areas
  - Emphasis on institutional delivery specially for normal delivery
  - Proper implementation of Intensified Diarrhea Control Fortnight/National Deworming Day/WIFS/ Vitamin-A supplementation programme/Intensified Pulse Polio Immunization etc.
  - Implementation of weekly diet supplementation programme for pregnant women of tea garden area.
  - Laboratory should be functional and services to be ensured.
  - Celebration of special health days
  - Conducting baby shows from 1 and ½ years to 2 years baby of tea garden area where best 3 babies will be awarded for promoting child health.
  - Utilization of services of mothers & adolescent club of tea garden area.
- Provision of free drugs as per requirements
- Facts and records of services along with expenditure has to be provided as and when required for verification.
- Stock of the assets to be maintained purchased from the fund given by the Government. under partnership.
- Block Programme Manager will regular monitor the programme of concerned Block PHC.
- The hospital will develop an action plan for utilization of NHM-PPP fund as per the MoU and guideline given and will get an approval from the District Health Society before utilizing the fund.

After getting the necessary approval from DHS the Tea Garden Hospital can utilize fund as per the following criteria:

**1. Manpower-**

The management can appoint contractual staffs in the hospital as per mutually agreed terms and conditions if required.

- The Salary of the newly appointed doctors and other paramedical staffs from the NHM fund should not exceed the NHM rate (s) for salaries. The manpower to be posted as per the PHC staff norms, however, the following manpower shall have to be provided,

Following will be the salary structure:

Sl. No	HR	Upper Limit For per person
1	MBBS doctor	As per NHM rate
2	GNM*	“
3	ANM*	“
4	Pharmacist	“
5	Laboratory Technician	“

- ANM will be engaged in case of unavailability of GNM

- The salary of the doctors & other paramedical staffs who were working in the hospitals even before the PPP should be given the monthly salary by the Tea Garden Authority from their fund. In addition, they are to be given the incentives as per the prescribed norms from the fund under PPP not exceeding the amounts given below:

The Garden Hospital catering a population less than 3500		
Sl. No	Details	Incentive from NRHM-PPP fund
1	MBBS doctor	Rs. 6,000 pm
2	GNM	Rs. 2,000 pm
3	ANM	Rs. 2,000 pm
4	Pharmacist	Rs. 2,000 pm
5	Laboratory Technician	Rs. 2,000 pm

The Garden Hospital catering a population more than 3500		
Sl. No	Details	Incentive from NRHM-PPP fund
1	MBBS doctor	Rs. 8,000 pm
2	GNM	Rs. 3,000 pm
3	ANM	Rs. 3,000 pm
4	Pharmacist	Rs. 3,000 pm
5	Laboratory Technician	Rs. 3,000 pm

- Along with Medical and paramedical staff from the fund given the hospital can recruit Accountant cum office assistant @ Rs. 7000/- per month and a driver for ambulance @ Rs.3500 per month. The salary of the existing staff will be born by the hospital and from the PPP fund given.

## 2. Drugs

- Drugs will be provided from NHM to all PPP Tea Garden Hospitals as per case load. Indent should be given to DDSM of respective district as per NHM format as and when required. However the utilization of drugs should be sent to concerned DDSM and NHM HQ on monthly basis and as and when required. In case, if there is a shortage of medicines in a particular month then the hospital with prior written information to the Jt. Director Health Services can procure the medicines as per Govt. approved rate. The Jt. Director of Health Services in turn

will take the approval from the District Health Society before Procurement of generic drugs as per the Govt. of Assam Essential Drug list (EDL) allowed from PPP fund.

### 3. Ambulance & Referral Transport

- The Tea Garden Management will ensure the maintenance of the ambulance that they have received from NHM under PPP. For referral transport of the complicated cases from one institution to another, fund maximum limit of Rs. 40,000-60,000 per annum should be utilized for POL from the fund available under the head of recurring cost. The minimum or maximum limit will be decided by the DHS on the basis of distance from secondary/tertiary care hospital. The ambulance will have to maintain a log book with details about the patients transported with their signature and meter reading to be mentioned in it.
- The total amount provided shall be spent as follows;

Sl No	Details	Upper Limits of Funds per annum (Rs)*
1	Manpower (Salary)	6,00,000 (maximum limit)
2	Recurring Cost( Hospital Consumables, ambulance running cost, laboratory supplies	1,50,000 (maximum limit)

\* savings are available from any of the heads, the same can be utilized for other important works with prior approvals from D.H.S

### 4. Infrastructure

- If the hospital needs minor renovation and repairing, which couldn't have been completed during the previous year PPP fund, then it can utilize the fund for minor repairing and renovation of existing labour room/maternity ward/ new born corner with an upper limit of Rs.50, 000/- per annum as per the IPHS norms.

For proper management of Bio-Medical Waste (BMW) the hospital can procure color coded bins, bags and other consumables along with construction of deep burial pit as per the NHM guideline.

### 5. Equipment:

- The hospital can procure equipments related to Labour room/New Born Care Corner (NBCC) as per Govt. approved rate along with prior approval of DHS with an upper limit of Rs.1.00 Lakh as per IPHS norms if not procured in the initial years

- If not procured in the initial years the hospital can procure equipments for setting up a laboratory for performing the routine lab test (Eg-routine test for Blood, Urine, and Stool etc.). The reagents for performing the test can be procured from hospital operational cost under PPP fund.

## 6. Operational Aspect

- The hospital will have to take prior permission of District Health Society before utilizing the fund against the MoU. In case guidelines given are found to be violated, the MoU will be terminated.

## 7. Record Maintenance

7.1 All the tea Garden hospital under PPP should use the NHM prescribed registers for record keeping. The list of registers to be used at facility is as follows-

- OPD Register for registration
- IPD register,
- RCH register, (For ANC/Immunization/Eligible Couple records)
- Family Planning Register
- Delivery Register
  - Referral Register
  - Laboratory registers for laboratory record,
  - Drug dispensing register
  - Stock register
  - Fixed Asset Register
  - Ambulance Log Book
  - Maternal Death Register
  - Infant Death Register
  - High Risk Pregnancy Identification Register
  - WIFS Register
  - Health Camp Register
  - House Hold Survey Register.

Any other register as per requirement to be maintained by all the Tea Garden Hospitals under NHM PPP.

- The hospital will maintain fixed asset register of all the items acquired out of the NHM fund and accordingly submit a report to the Jt. Director of Health Services for his/her record. All the assets acquired and created out of NHM fund will be the property of Government of Assam.

- For financial transactions record to be maintained in the Tea Garden Hospital in the form of Fund Receipts register, Cheque Issue Register, Petty Cash Book, Payment Vouchers Index File (Month wise) and Double Column Cash Book to be maintained in respect of fund from NHM under PPP.

## 8. Reporting System

- The In-charge of the respective Tea Garden Hospital will be responsible to send the monthly performance report i.e. HMIS report in the prescribed format by NHM, Assam to the Block Programme Management Unit along with a copy to District Health Society by 2<sup>nd</sup> day of next month.
- Monthly progress reports on all key deliverables along with financial achievements is to be send to the Block Programme Management Unit along with a copy to District Programme Management Unit of NHM, Respective districts.
- Mother and Child Tracking System (MCTS) to be followed

## 9. IEC: -

- Monthly Health Action Plane for Health Camps would be submitted to the Joint Director of Health services of the districts.
- Health Camp should be organized at Tea Garden hospital and in the labour lines.
- Involvement of Mothers and Adolescents Club to be ensured by tea garden Hospital Management Committee.
- Monthly Adolescents meeting and counselling should be organized.

### 9.1 Implementation of weekly diet supplementation programme for pregnant women of tea garden area.

The aim of the programme is to provide weekly diet supplementation which includes Egg-1no, 200 ml Milk, one Banana for pregnant women. This should be give immediately after registration preferably on Fri day (ANC day) till the delivery. The cost can be born from PPP fund. Separate register to be maintained. The budget for providing free diet should not be exceeded more than Rs. 20/- per meal (every Friday for 4 days in a month). The format of the register should be maintained as follows-

Sl. No	Name of PW	LMP	EDD	Registration Date	Weight at registration	Dates of diet given	Weight after every month	Date of delivery	Weight of infant at birth

9.2 **Celebration of special health days** : Special health day should be observed along with health camp and awareness. Action plane attach in a separate annexure.

9.3 **Distribution of Iron Folic Acid Tablet**: Immediately after marriage, the Hb% of married women should be done and accordingly Iron Folic/Folic acid to be given and register also to be maintained.

9.4 **Baby Shows:** Conducting Baby Shows from 1 and ½ years to 2 years baby of tea garden area where best 3 babies will be awarded for promoting child health. Type of award should be-

- Baby Set (Powder/Towel/Body lotion/Cream/Hair Oil etc.)
- Toys
- Hand washing soap for mothers
- Baby Blanket
- A basket of local fruits etc.

9.5 **Anemia detection Camp:** Quarterly anemia detection camp should be organized in age group of 10-35 years female of Tea garden Area. After detection of anemia proper treatment and follow up to be done.

9.6 **Printing of Protocol:** Protocol of Labour room, NBCC, BMW, Immunization, Hand Washing, Nutrition, Anemia, NCD, Diarrhea and other Umbrella programmes to be ensured at the facility. The printing cost can be incurred from PPP fund as per NHM norms.

#### 10 Financial Guidelines:

- Allotted fund Rs.7.5 lakh to each tea garden hospital from GoI under PPP.
- The fund will be released in two instalments.
  - 1st instalment in signing of MoU and
  - 2nd instalment after submitting UC and SoE of 1st instalment.
- Amount may be budgeted under the head **"FMR Code: 15.9.7"**.
- Separate bank account should be maintained to administer the funds by the hospital management authority under the scheme.
- The Hospital Management Committee will maintain Books of Accounts (i. e. Cash Book, Ledger, Cheque issue register, Stock register, Fixed Assets Register and Bill vouchers file etc.) for the fund received from NHM under PPP.
- Up to date JSY record should be kept by HMC.
- Cash transactions should not be done.
- The bank account must be a joint a/c. in the name of followings-
  1. Manager of the estate cum Chairman, Hospital Management Committee and
  2. Medical Officer cum Member Secretary, Hospital Management Committee of the hospital.
  3. In absence of any one of above, Labor Welfare Officer of the tea garden should be nominated for joint signatory.
- The monthly account statement obtained from bank should be placed before the Hospital Management Committee.
- The fund given will be utilized for monthly health camps, manpower & maintenance of the hospital or fulfilling the aforesaid objectives.
- The user fee as notified by Govt. in PHCs would be collected by the hospital should be deposited in the bank account of Hospital Management Committee.
- The amount shall be utilised for providing services to the patients.
- Submission of monthly utilization certificate is to be ensured to the Joint DHS/DPMU of respective district.

- The in-charge of the tea garden hospital will have to submit a monthly fund utilization certificate and Statement of Expenditure (SoE) to the DHS, within 5<sup>th</sup> day of following month.
  - The audited UC and SOE should be submitted for a financial year by 30<sup>th</sup> April of the following year.
- The accounts should be audited by C.A. at the end of the financial year end and settle the advance by submission of audit report including audited Utilization Certificate within 30<sup>th</sup> April of the following year.
- The audit fees will be borne by interest fund incurred or own tea garden management fund.

## 11 Performance review

- Both physical and financial performance of each tea garden hospitals are to be reviewed every month at block level (BPMU) and quarterly at District level. Minutes of the meeting shall be submitted to the State HQ by the District.
- The hospital management committee as well as the District Health Society will monitor the service delivery using through Key Performance Indicator to evaluate/ assess the yearly hospital performance on parameters fixed for-

**The expected Key Performance Indicator (KPI) for deliverables are as follows-**

Sl No	Indicators	Value	Remarks
1	OPD health check up	30 patient /Day	Indicator depend upon the Proportion of the target population
2	IPD	3 patient /Day	
3	Lab test conduct	150 test per month	
4	Institutional Delivery	3 per month	Probable PW = Population x Birth rate of the District/state
5	ANC	4 per month	
6	PNC	4 per month	
7	Mandatory services	OPD, IPD,ANC,PNC, Laboratory service, referral, IEC/BCC activity, Umbrella programme coverage etc.	Qualitive indicator to ensure all services

**Yearly evaluation/ assessment of the hospital will be done based on the aforesaid KPIs**

- Every Tea garden should visit once in a month by DPMU/BPMU as per supportive supervision format of PHC and submit the report to State Head Quarter by 10<sup>th</sup> of every month.

## 12 Activities not to be done from the fund of PPP

1. Construction of quarters, Kitchen, Roads, extension of existing hospital building, office set-up, and house hold toilets etc. The fund should not be used for any kind of new construction except Labour room, NBCC, ANC, PNC ward (if not taken in the initial years)
2. Procurement of any vehicles, Computers, office furniture, Halogen light/lamp, Refrigerator etc.
3. Payments towards inserting advertisements in any Newspaper/Journal/Magazine.
4. Purchase of POL other than ambulance.
5. Repairing of Ambulance.
6. Organizing Swathya Mela or giving stalls in any Mela for ostensible to purpose of awareness generation of health schemes/programmes.
7. Payments towards giving TA/DA to Medical Officers or other staff.
8. Meeting any recurring non-plan expenditure and taking up any individual based activity.

**NB:** An annual action plan of activities should be prepared and approval should be taken from DHS. The Tea Garden Hospital Management Committee should prepare the yearly budget based on the above guidelines and it should be approved by Chairman, District Health Society. Approval of Mission Director, NHM, Assam must be taken for any other specific requirement other than the above guidelines.
