PREFACE

To provide comprehensive emergency Obstetric services and new born care to the urban slum areas and remote pockets of the State, the activity PPP with Charitable hospital is executed by NHM, Assam. In this PPP mode, the selected hospitals will be run under MoU with District Health Society at district level of the respective district. The hospitals have to follow the fixed sets of terms of reference as per MoU and Operational Guideline enclosed herewith to cover the poor slum dwellers and BPL families of municipal wards, slums and outreach areas of respective districts. The Primary objective of the activity is to provide the following services-

- Out Patient Department,
- In-Patient Department and
- Outreach health services

In broad way the emphasis is given in the following area-

- Encouragement on institutional delivery for women of slum dwellers
- Quality Antenatal Check-ups to all pregnant women of slum dwellers
- Awareness to taken care of communicable and non-communicable diseases of urban poor population.
- Covering the outreach area
- Referral services should be encouraged as usual in outreach camps and ensuring follow-up under the activity.

In the Financial Year 2022-23, A new hospital is approved under PPP namely Red Cross Hospital located in Kamrup Metro. Please note that the yearly evaluation/assessment of the hospital will be done on the parameters that is considered as Key Performance Indicator (KPI) of the activity. Please refer Operational Guideline in this regard.

**Operational Guideline for utilization of fund by the Charitable Hospitals under PPP with
NHM, Assam for the Year 2022-23**

Objectives:

- Providing health care services to the large number of urban poor population in collaboration with National Urban Health Mission (NUHM).
- Improvement of maternal and child health in municipal wards, Slums and outreach areas of the district by resource mapping through volunteer workers from NGO, Community club, Mahila Samities etc.
- Services to be provided as follows-
 - i. Routine Ante-Natal check-up to all pregnant women.
 - ii. Institutional delivery
 - iii. Service delivery to all pregnant women should be absolutely free including caesarean section under Janani Shishu Suraksha Karyakram (JSSK) implemented by Govt. of India. The cost free entitlements under JSSK are- :
 - Free Drugs and consumables
 - Free Diagnostics
 - Free C-section
 - Free treatment and delivery
 - Free Blood Transfusion
 - Free Transportation
 - Free Diet initiative
 - Free transport from home to institution,
 - Facilities to facilities and
 - In case of drop back home.

Similar entitlements should be followed for all sick new-borns accessing public health institutions for treatment up to 1 year after birth.

- iv. Identification of High risk pregnancy and its management
- v. Immunization
- vi. Diagnosis and management of anaemia & vitamin A deficiency in the children
- vii. Family Planning guidance and services
- viii. Basic laboratory services like Blood, Urine & Stool examination for expected mothers
- ix. Family Planning services
- x. Safe abortion services (MTP)
- xi. Creating awareness on population stabilization by using family planning methods.
- xii. Regular visit of slum area by ANM/Nursing Staff for mobilization of slum dwellers for participation in promoting health

Coverage:

- Urban poor population residing in urban areas
- Municipal wards,
- Outreach areas and
- BPL families

Operational Aspect:

- An MoU (agreement) is to be executed between the respective District Health Society and Charitable/Trust Hospital Management Authority which will establish the terms and conditions of both
 - the parties work to achieve the objectives.
 - Duration of the MoU to be fixed for 1 year only.
 - Financial year should be followed for execution of MoU
 - The agreement would be in force from the date of signing of MoU
 - The PPP hospital should have brand identity of NHM Assam with NHM logo and should be prominently displayed.
 - Services to be delivered as per NHM norms and guidelines mentioned in MoU.
 - A coordination committee is to be formed with the following members -
 - Deputy Commissioner – Chairman
 - Additional Deputy Commissioner (Health) – Vice Chairman
 - Joint Director of Health Services of the district – Member Secretary
 - District Programme Manager, respective district, NHM – Member
 - Four nominees from the Charitable Hospital.
- The committee shall meet quarterly whose recommendation is mandatory to implement the activity.
- The hospital will have to take prior permission of District Health Society before utilizing the fund against the MoU.
 - In case guidelines given are found to be violated, the MoU will be terminated.

Scope of work :

- A monthly action plan is to be prepared for implementing the activity that has to be approved by the DHS
- Emphasis on institutional delivery (normal/Caesarean)
- Delivery of the pregnant women (normal / Caesarean) in the hospital should be at pre fixed rates decided by Hospital Management Committee and District Health Society.
- Blood bank or blood storage unit to be ensured if caesarean service is available
- Provision of facility on Janani Suraksha Yojna (JSY).
- Facility for New Born Care such as neonatal resuscitation & management of neonatal hypothermal / Jaundice etc.
- JSSK benefits for free Diagnostics, Drugs, Blood Transfusion, transportation as per the operational Guidelines of JSSK to be ensured
- Covering outreach areas.
- Regular visit of allotted slum area by ANM/Nursing Staff to mobilise the slum dwellers to avail all health related services specially in Obstetrics & Gynaecological health.
- Laboratory should be functional and services to be ensured other than PMSMA (Pradhan Mantri Surakshit Matritva Abhiyan) day also.
- Implementation of Bio-Medical Waste (BMW) management system
- Proper implementation of Intensified Diarrhoea Control Fortnight/National Deworming Day/WIFS/ Vitamin-A supplementation programme/Intensified Pulse Polio Immunization etc.
- Nutrition & health counseling
- 24 hrs emergency services
- Referral services.

- Urban health camps/ medical camps should be conducted specially in Urban slum areas.
- Resource mapping through Community club, SHG, Mahila Arogya Samities etc.
- IEC activity of all National and State health programmes in collaboration with District Programme Management Unit (DPMU), NHM.

After getting necessary approval from DHS the hospital authority can utilize the fund as per following criteria-

1. Infrastructure:

If the hospital needs minor renovation and repairing, which couldn't have been completed during the previous year PPP fund, then it can utilize the fund for minor repairing and renovation of existing labour room/maternity ward/ new born corner with an upper limit of Rs.50, 000/- per annum as per the IPHS norms.

For proper management of Bio-Medical Waste (BMW) the hospital can procure color coded bins, bags and other consumables along with construction of deep burial pit as per the NHM guideline.
