The board responsibility of the above -mention committee will be to oversee the quality Assurance activities across the state in accordance with the National & State guidelines. The committee will also ensure regular and accurate reporting of the various key indicators. SQAC, a body for the policy decision and directions, will be responsible for all QA initiatives, its success and shortcomings. The primary role of the committee at the State level will be to provide overall guidance, mentoring and monitoring of QA effort in the districts.

The committee will meet once in a six month to monitor the following:

1. To develop and implement the Quality Assurance policy and guideline for the state.
2. Ensuring attainment of the standard for quality of care by public health facilities.
3. Mentoring the State / District level unit.
4. Periodic review of the program.
5. Review and adjudicate compensation of claim.
6. Review key performance indicator of facilities.
7. Support Quality improvement process
8. Update Reporting mechanism

Further a five member "State Family Planning indemnity sub committee from within the SQAC is hereby notified which would redress, dispose and disburse claims/ complains received through DQAC to the District Health Society as per procedure and time frame laid down in the manual on the family planning indemnity subcommittee. The subcommittee will comprise the following:
