# WHO IS A CONTACT?

**A contact in the context of COVID-19 is:**

- A person living in the same household as a COVID-19 case;
- A person having had direct physical contact with a COVID-19 case or his/her infectious secretions.
- A person who was in a closed environment or had face to face contact with a COVID-19 case at a distance of less than 1 meter including air travel.

*Such contacts are to follow mandatory **14-days HOME QUARANTINE***

A contact is defined as a healthy person that has been in association with an infected person or in a contaminated environment as to have been exposed and is therefore at a higher risk of developing **COVID-19**.
